

The Beth Yarrow Memorial Scholarship in Medical Science

Residency

All

Program Level

Postgraduate Research

Value

\$10,000

Tenure

The scholarship is tenable for one year only. Previous recipients may re-apply.

Outline

The Scholarship is established to support the study and research of cancer, at the postgraduate level. It is hoped that the Scholarship recipient will make a contribution to the understanding, early detection, treatment and cure of ovarian cancer.

Eligibility

Applicants must be proposing to undertake, or be undertaking, full-time postgraduate research in the understanding, early detection, treatment and cure of cancer. Applicants will be assessed on the basis of academic merit and on potential to contribute to the understanding, early detection, treatment or cure of cancer.

The award recipient may simultaneously hold another scholarship or award such as an Australian Postgraduate Award (APA), International Postgraduate Research Scholarship (IPRS) NHMRC Postgraduate Scholarship or UNSW-funded Postgraduate Research Scholarship.

How to Apply

Completed application forms and any supporting documentation should be scanned and emailed (preferably as a single pdf document) to the Graduate Research School on scholarships.grs@unsw.edu.au by the specified closing date.
